

EEG in the next century

28/03/2026

Dear colleagues,

We are excited to announce our upcoming symposium, EEG in the next century, scheduled for 28/03/2026.

Event details:

- **Date:** 28/03/2026

- **Time:** 8:30h to 14h

- **Location:** Zaal Orchidee/auditorium, UZLeuven campus gasthuisberg, Herestraat 49, 3000 Leuven

- **Directions:** Follow the signposts from the East entrance (main entrance) or the West entrance of the hospital towards '*BRUINE straat*' – '*poort 1*' – '*niveau 1*'

- **Topic:** Clinical neurophysiology

- **Target audience:** all professionals involved in human clinical neurophysiology

Registration information:

All the information regarding registration can be found on the BCNS website. You can follow this symposium for free when becoming a member or when renewing your membership. However, don't forget to register your participation via our website: www.bcns.be/webshop. CE accreditation will be requested.

We look forward to welcoming you and ensuring a productive and inspiring day.

Best regards,

Belgian Clinical Neurophysiological Society (BCNS)
